Wylie Fire Rescue to Conduct Emergency Drills with NTMWD

August 23, 2013 – Wylie, TX – Wylie Fire Rescue (WFR) and the North Texas Municipal Water District (NTMWD) will perform routine emergency preparedness drills at the water district facility August 26-28. The drills are designed to ensure that the NTMWD staff and WFR have a cohesive plan to respond to potential emergencies at the NTMWD facility located in Wylie, Texas.

The NTMWD supplies water to more than 1.6 million customers in member cities throughout the North Texas area. Additional information about the NTMWD can be found at www.NTMWD.com

WFR is an ISO Class 1 Department that provides emergency response for the City of Wylie and surrounding area. WFR has three fire stations, operating 3 Quint Fire Trucks, a Command Truck, 2 Brush Trucks, Water Rescue, Advanced Emergency Medical Services, and Hazmat Teams. Additional information is available at www.WylieTexas.gov.

For more information about the joint preparedness drills, please contact Captain Cory Claborn at cory.claborn@wylietexas.gov.
